REFLECTIVE COLLAR & MULTI FUNCTION DOG LEAD

The NEW Agboss range of working dog collars and leads is more comfortable for your best friend and you. The all day reflective stitching will make your dog easily visible day and night. The lead is long enough for your pooch to comfortably move around with a quality clips to attach to collars and fences. Available in Orange, Black & HOT PINK in different sizes to accommodate several types of pets.

COLLAR FEATURES:

- Neoprene padded durable webbing, range from 15mm to 40mm wide to fit many types of pets including Alpacas, Goats & Pigs
- Quality hardware with double eyelets in wider collars
- Reflective stitching and binding for increased visibility, day and night
- Easy, and safe tethering

MULTI-FUNCTION TRAINING DOG LEAD FEATURES:

- Neoprene padded handle
- Two clips for multiple points of connection or to attach keys, waste bags etc
- Durable, lightweight and strong
- Connection ring to convert to choker chain, half lead size, tie pooch up or restrain two pups
- Double ended lead, can be used for dog training to stop pulling.
